On November 10, 2016, there was a public vote for the LSDs of Andover and Perth. This vote was to ask for another 20 year agreement between the LSDs & the Village of Perth-Andover for recreation facilities, programs and events. The LSD of Perth voted in favor of the new agreement. Unfortunately the LSD of Andover did not vote in favor. As a result, the Village of Perth-Andover must now implement user fees for participation in recreation programs and events, and for use of the facilities.
