VILLAGE OF PERTH-ANDOVER ZONING BYLAW

BY-LAW NO. 00-2020

PART 1: TITLE AND SCOPE

- 1) This by-law may be cited as the "Village of Perth-Andover Zoning Bylaw".
- 2) This by-law applies to the Village of Perth- Andover municipal boundaries.
- 3) For purposes of this by-law, the Village is divided into zones as delineated on the Village of Perth-Andover Zoning Map, Schedule A, attached hereto.

(NOTE: All numerical requirements are provided in metric units of measurement. Imperial units of measurement, where provided, are for user convenience only. Where a discrepancy between the metric and the imperial occurs, the metric measurement shall prevail.)

PART 2: DEFINITIONS

In this Plan the word "shall" is mandatory and not permissive. Words used in the present tense shall include the future; words used in the singular number shall include the plural and words used in the plural number shall include the singular. The word "used" shall include "intended to be used", "arranged" and "designed". All other words shall carry their customary meaning except for those defined hereinafter:

- 2.1 ACCESSORY BUILDING means a subordinate building or structure on the same lot as the main building and devoted exclusively to an accessory use, but does not include a building attached in any way to the main building.
- 2.2 ACCESSORY USE means a use subordinate and naturally, customarily and normally incidental to and dependent upon a main use of land or buildings and located on the same lot and includes home occupations related to the domestic arts of cooking, sewing, tutoring or repairing household articles, or related to traditional crafts, any of which may be carried on within a dwelling without alteration to the dwelling and without devoting any space within the dwelling to such occupations.

- 2.3 ACT means the Community Planning Act, Bill 45, SNB, 2017 and amendments thereto.
- 2.4 AGRICULTURAL USE means the use of land and buildings for the production of food, fibre or flora or the breeding and handling of animals and includes retail or market outlets for the sale of perishable agricultural goods or for the handling of animals except, for the purpose of this Plan, such shall not include a kennel or cattery.
- 2.5 ADULT ENTERTAINMENT ESTABLISHMENTS means an establishment or part thereof which provides goods or services, including activities, facilities, performances, exhibitions, viewing and encounters, the principle characteristic of which is the nudity or partial nudity of any person.

- 2.6 ALTERATION means any change in a structure component or any increase in the volume of a building or structure.
- 2.7 ATTACHED BUILDING means a building otherwise complete in itself, which depends for structural support, or complete enclosure upon a division wall or walls shared in common with an adjacent building or buildings.
- 2.8 AUTOMOBILE BODY SHOP means a building or a clearly defined space on a lot used for the storage, repair, and servicing of motor vehicles including body repair, painting and engine rebuilding but does not include an automobile service station or an automobile sale establishment.
- 2.9 AUTOMOTIVE REPAIR OUTLET means a building or part of a building or a clearly defined space on a lot used for minor or major repair of motor vehicles and may include muffler, brake, tire and glass replacement, transmission repair and replacement, wheel alignment, and other customizing activities directly related to the repair or alteration of motor vehicles but shall not include the manufacturing or fabrication of motor vehicle parts for the purpose of sale nor the retailing of gasoline or other fuels, nor does it include an automobile body shop.
- 2.10 BASEMENT means that portion of a building between two floors which is partially underground and which has at least one-half of its height from the finished ceiling above grade.
- 2.11 BED & BREAKFAST/ TOURIST HOME means a single detached dwelling in which there is a resident owner or resident manager who provides overnight accommodation and meals (usually breakfast, but occasionally other meals as well) for the traveling public, notably tourists.
- 2.12 BOARDING OR ROOMING HOUSE means a dwelling in which the proprietor supplies either room or room and board, for monetary gain, to more than three persons, exclusive of the owner of the building or members of his family.

- 2.13 BUILDING means any structure whether temporary or permanent, used or built for the shelter, accommodation or enclosure of persons, animals, materials or equipment and includes any vessel or container used for any of the foregoing purposes.
- 2.14 CARPORT means a building or structure which is not wholly enclosed and is used for the parking or storage of private passenger vehicles.
- 2.15 CAR WASH means a building or structure containing one or more wash bays, attended or unattended by

staff, wherein vehicles are washed. The car wash may operate on its own or in conjunction with an automobile service station.

2.16 CEMETERY means the use of land primarily as landscaped open space in the placement of grave sites. Chapels, Churches crematoria, funeral home establishments and related facilities may be incorporated as accessory uses.

- 2.86 YARD means an open, uncovered space on a lot appurtenant to a building, except a court bounded on two or more sides by buildings. In determining the minimum yard measurements, the minimum horizontal distance from the respective lot lines shall be used.
- (a) Front Yard means a yard extending across the full width of a lot and between the front lot line and the nearest wall of any main building or structure on the lot; and “required front yard” or “minimum front yard” means the minimum depth required by this Plan of a front yard on a lot between the front lot line and the nearest main wall of any building or structure on the lot.
- (b) Rear Yard means a yard extending across the full width of a lot and between the rear lot line and nearest wall of any main building or structure on the lot; and “required rear yard” or “minimum rear yard means” the minimum depth required by this Plan of a rear yard on a lot between a rear lot line and the nearest main wall of any building or structure on the lot.
- (c) Side Yard means a yard extending between the front yard and the rear yard and between

a side lot line and the nearest main wall of any building on the lot; and “required side yard” or “minimum side yard” means the minimum breadth required by this Plan of a side yard on a lot between a side yard line and the nearest main wall of any building or structure on the lot.

- (d) Flankage Yard means the side yard of a corner lot, which side yard abuts a street, and “required flankage yard” or “minimum flankage yard” means the minimum side yard required by this Plan where such yard abuts a street.

PART 3: GENERAL PROVISIONS FOR ALL ZONES

3.1.1 PERMITS

- (a) No development shall be permitted unless all the provisions of this Plan are satisfied.
- (b) Any permit (i.e., building permit) shall be in force for a period of one year from the date of issue and any permit may be re-issued upon request and subject to review by the Development Officer.
- (c) Notwithstanding Subsection (a), no permit shall be required for the following:
 - (i) any accessory building or structure which has less than 19 square metres (200 square feet) of gross floor area; and
 - (ii) any sign permitted according to Section 15.1.2 of this Plan.

3.1.2 LICENSES, PERMITS AND COMPLIANCE WITH OTHER BY-LAWS

- (a) Nothing in this Plan shall exempt any person from complying with the requirements of the Building By-law or any other by-law in force within the Village, or to obtain any license, permission, permit, authority or approval required by any other by-law of the Village or statute and regulation of the Province of New Brunswick or the Government of Canada.
- (b) Where the provisions in this Plan conflict with those of any other municipal or provincial regulations, by-laws or codes, the higher or more stringent requirement shall prevail.

3.1.3 SEWAGE DISPOSAL AND WATER SYSTEMS

- (a) Where municipal central sewerage and water services are available, no development shall be permitted except where the development is provided with such services.
- (b) Where any lot is developed with a septic tank and disposal field, the minimum on-site requirements of this Plan shall apply for the purpose of obtaining approval. For the purpose of obtaining a permit for the installation of a septic tank, the regulations of the Department of Public Safety shall prevail.

3.1.4 FRONTAGE ON STREET

No person shall erect or use a building or structure or use any lot of land regulated by the Plan unless where the lot or parcel of land intended to be used, or upon which the building or structure is to be erected, abuts and fronts upon a public street or road.

3.1.5 ONE MAIN BUILDING ON A LOT

No person shall erect more than one (1) main building on a lot within any zone except where specifically provided for within this Plan.

3.1.6 EXISTING UNDERSIZED LOTS

Notwithstanding anything else in this Plan, a vacant lot held in separate ownership from adjoining parcels on the effective date of this Plan, having less than the minimum frontage, depth or area required by this Plan, may be used for any purpose permitted in the zone in which the lot is located and a building may be erected on the lot, provided that all other applicable provisions in this Plan are satisfied.

Further, the Development Officer may approve an increase in the area of any undersized lot, notwithstanding that it may still have less than the minimum frontage, depth, or area required by this Plan. The remainder lot must meet the minimum frontage, depth or area requirements or, where insufficient lot frontage, depth or area already exists, does not have these further reduced.

3.1.7 EXISTING BUILDINGS

Where a building has been erected on or before the effective date of this Plan, on a lot having less than the minimum frontage, area, or depth, or having less than the minimum setback or side yard or rear yard required by this Plan, the building may be enlarged, reconstructed, repaired or renovated provided that:

- (a) the enlargement, reconstruction, repair or renovation does not further reduce the front yard or side yard that does not conform to this Plan; and
- (b) all other applicable provisions of this Plan are satisfied.

3.1.8 NON-CONFORMING USES

Non-conforming uses shall be subject to Sections 60-61 of the Community Planning Act.

3.1.9 ACCESSORY USES PERMITTED

Where the Plan provides that any land may be used or a building or structure may be erected or used for a purpose, the purpose includes any use accessory thereto.

3.1.10 ACCESSORY BUILDING

- 3.1.10.1 Accessory uses, buildings and structures shall be permitted in any zone but shall not:
 - 3.1.10.1.1 be used for human habitation except where a dwelling is a permitted accessory use;
 - 3.1.10.1.2 be built closer to the front lot line than the minimum distance required for the main building or be built closer than 2.4 m (8 feet) to any other lot line except that:
 - (a) in any Residential Zone buildings or structures which are accessory to residential uses shall not be located closer to any side or rear lot line than 1.5 m (5 feet) nor be located in front yard or flankage yard.;

- (b) common semi-detached garages may be centered on the mutual side lot line;
- (c) boat houses and boat docks may be built to the lot line when the line corresponds to the high water mark; and

3.1.10.1.3 accessory buildings and structures in a Institutional, Commercial and Industrial Zone shall not be built closer to any side or rear lot line than 2.4 m.(8 feet) or one half (½) the height of such building or structure, whichever is the greater.

- (i) exceed 4.6 m (15 feet) in height in any Residential Zone;
- (ii) exceed 84 sq. m (904 square feet) in any Residential zone; nor
- (iii) be built within 2.4 m (8 feet.) of the main building within any Residential Zone or
3.7 m (12 feet) in any other zone.

3.1.11 TEMPORARY DEVELOPMENT AND/OR LAND USE PERMITTED

Nothing in this Plan shall restrict the Planning Advisory Committee from authorizing, subject to such terms and conditions as it considers fit, a temporary development otherwise prohibited by this By-law for a period not exceeding one year, and similarly from requiring the termination of a temporary development at the end of the authorized period.

3.1.12 VEHICLE BODIES

No truck, bus, coach or streetcar body, nor a structure of any kind, other than a dwelling unit erected and used in accordance with this and all other By-laws of the Municipality, shall be used for human habitation, and no vehicle body shall be used as a commercial building, except as specifically permitted by other legislation.

3.1.13 RESTORATION TO A SAFE CONDITION

Nothing in this Plan shall prevent the strengthening or restoring to a safe condition of any building or structure.

3.1.14 BUILDING TO BE MOVED

No building, residential or otherwise, shall be moved within or into the area covered by this Plan without obtaining approval from the Development Officer.

3.1.15 HEIGHT REGULATIONS

The height regulations of this Plan shall not apply to church spires, water tanks, elevator enclosures, silos, flagpoles, television or radio antennae, ventilators, skylights, barns, chimneys, clock towers, windmills or solar collectors attached to the principle structures except where specifically regulated.

3.1.16 DEVELOPMENT NEAR A WATERCOURSE OR WETLAND

No development shall be permitted within 15 metres (50feet) of a watercourse or waterbody, notwithstanding this, the New Brunswick Regulation 90-80, Wetland and Watercourse Alteration Regulation-Clean Water Act; the New Brunswick Regulation 90-136 under the Clean Water Act apply throughout the Village.

3.1.17 REDUCED FRONTAGE ON A CURVE

permitted use which is required to meet the flood proofing standards associated with a permitted use as set out in Section 14.1.2.4.

14.1.2.4 Flood Proofing Standards

No development shall be permitted in the Floodway Fringe (FWF) Zone unless the requirements of either clause (a) or (b) are met:

- (a) no enclosed portion of a structure shall be below the required floodproof elevation of 82.3 m, or shall be adequately flood proofed as determined by a qualified engineer;
or
- (b) any enclosed portion of a structure which is at or below the required floodproof elevation shall conform to the following requirements:
 - (i) there shall be no openings in the external wall of the structure (e.g. windows and doors) below the required floodproof minimum elevation;
 - (ii) fill, where permitted by this Plan, shall be placed around the perimeter of the structure to a height not less than the required floodproof elevation, for a distance of not less than 3 metres and not greater than 6 metres perpendicular to the perimeter of the structure; and
 - (iii) the perimeter of the fill shall be stabilized by:
 - (1) fill at a slope of 1 to 1; or
 - (2) such other flood proofing measures as determined by a qualified engineer.

14.1.2.5 Notwithstanding the requirements of 14.1.2.4 for flood proofing standards, Provincial Flood Plain regulations respecting minimum standards for flood proofing shall apply.

14.1.2.6 FWF Zone Requirements

Standards:

- (a) the minimum lot area is 742 m² (8000 ft²);
- (b) the minimum lot frontage is 24.4 metres (80 ft);
- (c) the minimum lot depth 30 metres (100 ft)
- (d) the front or flankage yard is 7.6 metres (25 ft);

- (g) painted on a tree, stone, cliff or other natural object.
- (h) which is not related to any business or use located on the lot or premises. This is referred to as third party signage and will only be permitted where an application has been submitted to Council by the owner of a business which is not located on an existing collector street as identified in Section 3.1.32 and for which the third party owner agrees to his/her property being used for such a sign.
- (i) any sign which no longer advertises a bonafide business conducted or a product sold.

Such signs are deemed to be obsolete signs and shall be removed by the owner or occupant of the property upon which they are erected, within sixty (60) days of the date of discontinuance of the business or product.

15.1.4 Sign Permit Required

No person shall construct, erect, display, alter or relocate a sign and no person being the owner or lessee of property shall permit, suffer or allow the construction, erection, display, alteration or relocation of a sign on such property without a sign permit first having been obtained in accordance with the provisions of this Plan.

15.1.5 Sign Permit Fee

A **\$ 75.00** permit fee shall be submitted for each sign for which a permit is required under the provisions of this Plan.

15.1.6 Specific Sign Provisions for Specific Zones

15.1.6.1 In a Commercial or Industrial Zone, the following signs may be placed, erected or displayed:

- (a) a sign placed flat against the front of a building indicating the ownership or nature of the business carried on therein, provided the gross surface area does not exceed:
 - (i) the product of the lineal frontage of the lot on which the building is located, multiplied by two, in the case of a non-illuminated sign,
 - (ii) one-half the size permitted under subclause (i), in the case of an illuminated sign; or

- (b) a free-standing sign not exceeding 3.8 m² (40 square feet) in gross surface area, in the case of a service station or similar use.

15.1.6.2 In a Rural Area Zone the following signs may be placed, erected or displayed:

- (a) one sign not exceeding 3.8m² (40 square feet) in gross surface area indicating the name of a farm; and
- (b) one sign not exceeding 1.7m² (18 square feet) in gross surface area indicating the sale or rental of the property on which it is placed.

15.1.7 Non-Conforming Signs

The provisions of this Plan with respect to existing signs which do not conform to the Plan at the time of its effective date shall not be construed to have a retroactive effect, except that relocation, alteration, or removal of any such non-conforming signs shall render such signs subject to the provisions of this Plan. The provisions of this section shall not exempt the owner of a non-conforming sign from the obligations for proper maintenance of such sign.

15.1.8 Abandoned and Unlawful Signs

- (a) No person being the owner lessee of property upon which a sign is located shall permit, suffer or allow such sign, its faces, supports, electrical systems or anchorage to become unsightly, dilapidated or unsafe.
- (b) Every sign and all parts thereof, including framework, supports, background, anchors and wiring systems shall be constructed in compliance with the Building By-law and relevant fire and electrical codes. A sign, which in the opinion of the Development Officer, has become unsightly, or is in such a state of disrepair as to constitute a

hazard, may be required to be removed.

- (c) Any sign which no longer advertises a bonafide business or service on the premises shall be removed within sixty (60) days of termination of such business or service.

15.1.9 Number of Signs

- (a) For the purposes of this Section, where a multiple tenancy building is occupied by more than one business, each business shall be considered to be a separate premises.
- (b) For the purposes of determining the number of signs permitted by this Section, a sign shall be considered to be a single display surface or display device containing elements organized, related and composed to form a unit. Double-faced and three-faced signs shall be counted as single signs. Where matter is displayed in a random manner, without organized relationships or elements, or where there is reasonable doubt about the relationships of any elements, each element shall be considered to be a single sign.
- (c) No more than two (2) signs shall be erected on any premises at any one time. For the purposes of this Section, signs enumerated in Section 15.1.2 shall not be counted.

16.1.2 Powers of Council

(1) No building may be erected in the municipality in respect of which, in the opinion of the Council, satisfactory arrangements have not been made for the supply of electric power, water, sewerage, streets or other services or facilities.

(2) When, in its opinion, a building or structure is dilapidated, dangerous or unsightly, the Council may

- (a) require the improvement, removal or demolition of such building or structure at the expense of the owner thereof; or
- (b) acquire the parcel of land on which such building or structure is located.

(3) Subject to subsection (5), within any zone mentioned herein, the Council may

- (a) designate land to be used for the location or erection of any installation for the supply of electricity, water or sanitary or storm sewers, or for the treatment or disposal of sewerage wastes; and
- (b) use land designated under clause (a) for a purpose therein mentioned.

(4) No land may be designated or used for the purposes of subsection (3) unless, in the opinion of Council,

- (a) such land is essential to the operation of the service concerned; and
- (b) any development thereon in a Residential or Institutional Zone is adequately screened from public view.

(5) Notwithstanding any other provision of this by-law, the Council may, in its discretion, allow a developer of a building or structure to pay to the municipality the sum of \$200.00 per space in lieu of providing the off-street parking required hereunder.

16.1.3 Special Powers of the Advisory Committee

- (1) No building or structure may be erected on any site where it would otherwise be permitted under this by-law when, in the opinion of the Advisory Committee, the site is marshy, subject to flooding, excessively steep or otherwise unsuitable by virtue of its soil or topography.
- (2) The Advisory Committee may, subject to such terms and conditions as it considers fit,
 - (a) authorize, for a temporary period not exceeding one year, a development otherwise prohibited by this Plan; and
 - (b) require the termination or removal of a development authorized under clause (a) at the end of the authorized period.

16.1.4 Amendments

- (1) A person who seeks to have the Municipal Plan or Zoning By-law amended shall
 - (a) address a written and signed application in duplicate therefor to the Council or the Advisory Committee; and
 - (b) pay a fee of **\$250** payable to the Council.
- (2) The Council may, if it deems fit, return all or any part of the fee mentioned in subsection (1).
- (3) An application under this section shall include such information as may

be required by the Council or Advisory Committee for the purpose of adequately assessing the desirability of the proposal.

(4) The council may refuse to consider an application under this section if such application:

- (a) seeks to re-zone an area of land from one type of zoning to another; and
- (b) if such application has not been signed by the owner, or if more than one, all the owners of each property in respect or which the re-zoning application is made.

(5) Before giving its views to the Council with respect to an application under this section, the Advisory Committee may carry out investigation as it deems necessary.

(6) Unless, upon the advice of the Advisory Committee, the Council is of the opinion there is valid new evidence or change in conditions, where an application under this section has been refused by the Council, no further application may be considered by the Council for one year if such application

- (a) in the case of re-zoning, is in respect of the same area of land with which the original application was concerned; or
- (b) not being in relation to re-zoning, is similar to the original application.
- (c) seeks to re-zone an area of land

16.1.5 Exceptions

Notwithstanding the provisions of this by-law, the terms and conditions

adopted by the Village of Perth-Andover under By- laws 53 and 60 shall be carried forward and shall apply to PID# 65044836 being located at 392 and 394 East Riverside Drive.

17. TRANSITION AND REPEAL

- 1) WHEREAS Section 32 of the New Brunswick Community Planning Act requires that a Municipal Plan By-law and Zoning By-law be reviewed every ten years, the Village of Perth-Andover under the authority vested in it by Section 24 of the Community Planning Act, enacts as follows:
