

Horizon Health Network in beautiful New Brunswick has current career opportunities for

LABORATORY TECHNICIAN PROFESSIONALS

This is the life-changing opportunity you've been looking for!

Horizon Health Network (Horizon) is actively recruiting Medical Laboratory Assistants (MLAs) and Medical Laboratory Technologists (MLTs) interested in joining our team in New Brunswick. You will contribute to the overall wellbeing and quality of life of individual patients as well as our communities in New Brunswick.

Our Offer

Our offer comes with competitive salary, health and dental benefits, and employer paid pension contributions combined with a network of opportunities in over 100 facilities with careers in acute and community settings. A recruitment incentive and relocation assistance are available for these positions. There are flexible options with full-time, part-time, and casual opportunities.

Who we are

Horizon is Atlantic Canada's second largest health authority servicing over a half a million people. We operate 12 hospitals and more than 100 medical facilities, health care centres, clinics, and offices throughout New Brunswick.

Our people are the heart of our organization. We have more than 13,000 dedicated employees working with over 1,000 physicians, and play a major role in research, education, innovation and health and wellness.

Why you should work here

Working for Horizon gives you flexibility in your career, an east coast lifestyle and the chance to make a big difference in the lives of New Brunswickers.

Horizon is an equal opportunity employer that values and recognizes your contributions, is dedicated to patient safety and satisfaction, has competitive pay, and benefits, and offers many opportunities for professional growth.

As a Horizon employee, you will benefit from engagement programs like *Years of Service* and our **Bravo!** recognition programs. You will also see a commitment to your well-being through our safe and respectful workplace programs that include safety initiatives, workplace violence prevention, and employee wellness services.

Where we are

At Horizon, a rewarding opportunity is as close as the ocean!

New Brunswick is located on Canada's beautiful east coast. It is known for its welcoming people, billion-year-old coastlines, and rich heritage of Indigenous, Anglophone and Francophone communities which have been ranked among the best places in the world to live.

Who you are

- A graduate of a school of Medical Laboratory Technology or Bachelor of Medical Laboratory Science (BsMLS).
- Registered with the Canadian Society for Medical Laboratory Science and licensed and in good standing (a practicing member) with the New Brunswick Society of Medical Laboratory Technologists.
- Ability to attend work on a regular basis.
- Ability to perform the duties of the position.
- Good work record.
- Written and spoken competence in English is required

We want to hear from you!

Our dedicated Talent Acquisition Specialist will work closely with you to discuss your career goals and areas of interest and specialization to find the best fit within our team.

Email careers@HorizonNB.ca and we will be happy to schedule a time to chat about our opportunities or **click "Apply" below** to provide your information and we'll get back to you.
